

## *Quality Policy Statement*

The aim of Hydrum Engineering Ltd is to achieve the highest standard of quality and customer satisfaction in order to build on the success of the company as a leading and profitable supplier of sheet metal components.

The company has implemented a formal and documented quality management system (QMS) which meets the requirements of the International Standard BS EN ISO9001:2008.

Hydrum is committed to comply with the requirements of the standard and to the continual improvement of the effectiveness of the QMS.

Personnel are required to follow all procedures relevant to their processes, in order to meet customer satisfaction. Hydrum is committed to achieving the quality and business objectives, which are reviewed on a regular basis.
